I am the current owner of the property described on Page 1 of this application, which is within the service area of Princeville Utilities Company, Inc. (PUCI").

This property is being rented/leased or purchased under an agreement of sale, and I hereby agree to allow PUCI to provide utility services to my tenant/lessee/purchaser (hereinafter "tenant"), as listed on this application, and to bill the tenant directly for such utility services.

In consideration of this, and consistent with the terms of PUCI's published tariffs (Section V of water tariff and Section III of sewer tariff), to the extent that my tenant fails to pay the utility bills that are rendered by PUCI by the applicable due dates, I agree to be responsible for and will pay to PUCI, upon demand, all amounts owed for all such services.

In the event the utility bills remain unpaid after PUCI notifies me of the tenant's default, I acknowledge that PUCI may, again consistent with its tariffs, refuse to furnish water service to my property until the outstanding bills are paid in full.

I agree to immediately notify PUCI of any change in my mailing address.

By signing this document, I hereby agree to perform all of the above obligations.
